

JESUS CALLS US TO SERVE.

THE CHURCH CONTINUES HELPING THOSE IN NEED DURING COVID-19.
THE GENEROSITY OF THE FAITHFUL MAKES IT POSSIBLE.

Between March and July 2020, parishes and Catholic Charities of the Diocese of Arlington responded to the economic distress caused by the ongoing coronavirus pandemic by helping our neighbors who needed food, rental assistance, utilities or medical help. The figures used here are provided by Catholic Charities and 37 diocesan parishes. As the pandemic continues, the Church will continue to serve, thanks to generous parishioner response.
